Dear Kerryn

Thank you very much for your presentation on Drug and Alcohol Awareness. It was greatly appreciated by both students and staff, and certainly led to a great amount of discussion in the following tutor lesson.

I have included the feedback forms – it seems our adolescents are very much informed as to the dangers and accessibility of drugs, and that a presentation such as yours, that is personal and heart-rending, offers an alternative approach to the discussion of drug use.

I will most certainly like to have you present at our school in the future, and thank you for your time.

Kind regards,

Toni-Ann Bright
